Dear Parents and Guardians,

Thank you so much to those who were able to attend conferences!

If you were unable to attend, remember that we're happy to schedule a time to meet where we can discuss student successes and goals. As always, please let us know of any questions or concerns. Email and ClassDojo are usually the best ways to get in touch!

Please make sure that you are receiving the weekly emails sent from the school. If you have not seen them, please check your junk mail. They are sent out each Thursday.

We are finishing up our introduction to subtraction this week and will be switching back to addition to learn various strategies for adding within 20. Please help your child to complete their nightly Practice and Homework math page! The back of the page will help students continue to review what has already been taught.

THANK YOU!

In Ms. Turner's class, we have 5 rules to help us meet the school expectations. Ask your student to teach you (with actions!) these rules:

Rule #1: Listen when the teacher is talking.

Rule #2: Follow directions quickly.

Rule #3: Respect others. Respect yourself. Respect your school.

Rule #4: Raise your hand to speak to the class.

Rule #5: Be safe. Be kind. Be honest.
